

## Sohail Sultan

CEO

Sohail has 30 years of experience in financial services, acquired at leading multinational financial institutions.

He started his career at Citibank (London) reaching the positions of Head of Global Product Development for Financial Institutions, Head of Structured Finance for Asia Pacific and Head of Cross Border European Structured Product Arbitrage within six years. His responsibilities included process and risk management, building and management of revenue, product innovation and deal execution in Europe, the Americas, Africa and the Far East.

Subsequently, he worked at Barclays Capital (London) for nine years holding senior positions including Managing Director, with responsibility for expanding the company's Structured Capital Markets business beyond the UK into North America, Europe and Asia Pacific.

He then worked at Cobussen and Partners, providing advisory services for private equity infrastructure projects in South Asia, the Middle East and the UK and developing a portfolio of structured investments with a group of private and institutional investors.

Sohail holds an M.Sc. in Economics (Accounting & Finance) from the London School of Economics and an LLB (Business Law) from City of London Business School.
